

Contact Us

We encourage industry, community and individual participation in projects right across the catchment.

If you would like additional information about environmental water management and environmental flow events in the Lachlan Catchment, or access to resources, please contact the Lachlan Riverine Working Group Executive Officer, Joanne Lenehan on joanne.lenehan@lrs.nsw.gov.au or **0409 496 908**.

If you would like to find out more about what is going on in your area in general, please contact the Central Tablelands Local Land Services, Cowra Head Office on **02 6341 1600**.
